Season's Greetings!

Twas the night before boating and all thru the boat not a creature was stirring not even a float. The ski vests where stored in the boat with such care, in hopes that the water would be beautiful when we get there.

The children were nestled all snug in their beds, with visions of tubing and skiing dancing in their head. Mom in her swimsuit and me in my vest, had just climbed on board to do what we like best.

When out of the blue there arose such a roar, it's just the rumble of the engine in the floor. Away from the dock we flew like a flash. Tore up the water and were off in a dash.

The sun on the crest of the water below gave the luster of midday boating, here we go. When what to my wondering eyes should appear but my family all smiling, the coolers filled with sandwiches and cheer.

With my father the driver, so lively and quick, I knew in a moment dads better than St. Nick. More rapid than eagles, his converse they came, and whistled, and shouted, and called them by name.

Now Chris Craft!, Now Garwood!, Now Hacker!, and Shepherd!, On Century!, On Ventnor!, On Thompson!, and Lyman! To the end of the lake, to the smoothest water of all, now dash away, dash away! Dash away all!

So sad the boating stops, as the winter snow flies. We wait till next spring, with a gleam in our eyes. So up to the beautiful waters they flew with a day full of boating, with my whole family too!!!!!!

Happy Holidays from everyone at Antique Boat Center!
