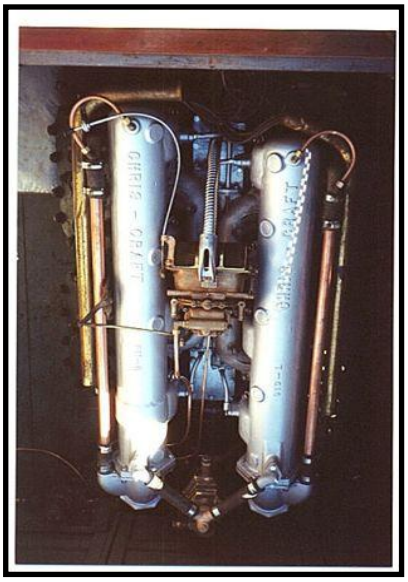
BOAT OF THE MONTH

1930 26’ Chris Craft Triple

This is a very fine boat that is for sale by the family that was the original purchaser. Boat has always been kept in Michigan and never more than 100 miles from the Chris Craft factory.

Every aspect of this boat is original:

1. **A120 Chris Craft V8**
2. **All of the wood**
3. **All of the chrome and instruments**



The only thing that has been replaced is the upholstery.

Asking price of $195,000 includes custom 2 axle trailer and full waterline mooring cover.

Open House

Our February 19th open house was a great success.

Thomas Holmes has incredible knowledge and shares it willingly with his humorous and entertaining lecture.

Guy McCollum informed every one of the upcoming Keels and Wheels event in Seabrook, Texas – April 30th – May 1st.

Rob Selin, ACBS Director of Youth Development, spent time with many interested hobby boat builders. He discussed the 10 foot, 10hp prototype outboard boat he will use for youth events this year.

The boat shop was filled with fun and friendship during and after the lunch feast. It was great to meet the Mississippi Valley Chapter ACBS group. New friends and faces were on hand from eight states!

With visits from the local Corvette Club, as well as, the Mercedes Club, this winter has been very busy.

We all have had enjoyed every one coming to see the boats and visit!
