DECEMBER OPEN HOUSE

Lee Wangstad was our guest speaker at the December open house. Lee is an expert on many of the early fiberglass boat manufacturers. It was fun to see how many of these boats were patterned after jets, rockets, star ship, satellites, etc. This was the era of those items, and the boat manufacturers rode the wave of interest. If you missed this fun event, please plan to attend one our next two open houses this winter!

2008 ANTIQUE BOAT MUSEUM SYMPOSIUM

What are you doing for your winter vacation? A suggestion- the Mt. Dora, Fl. boat show runs from March 27th-30th. The Antique Boat Museum is having a symposium- "Quest for speed" starting Sunday March 30 through Tuesday April 1st. This symposium will be held at the Lakeside Inn in Mt. Dora. Then, starting April 4th-6th, the Classic Race Boat Association will be holding on Lake Dora, their 2nd annual Bernie Little Classic Race Boat Regatta.

In a ten day period, there will be a lot of fun and learning in this nice sunny part of Florida.

●ABC Customer Feature●

Terry Hurley's 1938 22' Chris Craft Custom

Mr. Hurley bought this Chris Craft Custom from us in the spring of 2007 knowing the boat needed a new bottom. Terry had our shop install a new 5200 bottom and varnish the sides and decks. We had the pleasure of a visit from Mr. Hurley to see the restoration in progress. He is very excited to try her out this spring!
