#### **FEBRUARY OPEN HOUSE**

Our February open house was a huge success. We had over 60 people attend from the Century Boat Club. In addition, there were approximately 150 other friends that visited and participated in the informative discussions by the Century Boat Club members. Sorry if you could not attend, a good time was had by all.

This past month our company tried a new marketing plan – we attended the Antiques and Garden show of Nashville. This high end antique show was a perfect setting for our display of a 1927 22' Chris Craft Cadet. Maybe we should come to an antique show in your area? Let us know - ABC
