## Bluegrass Chapter at Dale Hollow

On July 18<sup>th</sup>, Antique Boat Center's Dennis Ryan and a group of enthusiastic boaters took to the water at Dale Hollow for a day of fun on the lake.

The Bluegrass Chapter of the ACBS arranged a guided tour of the lake that spanned nearly 40 miles. A couple of stops along the way allowed for great conversation and some appreciative spectators.

Below are a photo and excerpts from a local paper – [Clinton County News](#)

“In that relatively short period of time, with Dale Hollow covering several “boundaries”, the group boated in two states, Kentucky and Tennessee, passing into and through four separate counties - Clinton and Cumberland in Kentucky, Clay and Pickett in Tennessee.”

“Others included in Saturday’s tour were Ray and Linda Gilker of Cincinnati and their 1955 Shepherd, Damon and Janet Young of Georgetown, Kentucky with their 1960 Lone Star Cabin Cruiser, Ronald and JoCarol Ford and granddaughter Cheyenne Webb with their 1954 Chris Craft Sea Skiff. A fifth boat, a 1950 Islander Touring boat with a top-end speed estimated at about 10 miles per hour, remained at the State Dock marina Saturday, due to it’s (by design) slow speed.”

“Also along for Saturday’s tour were Dennis and Kathleen Ryan. A host of technical information about the vintage boat hobby was available just for the asking from Dennis Ryan, who is currently employed as the Operations Manager for the Cincinnati based vintage boat dealer, the Antique Boat Center.”

“Making their way from Dale Hollow Lake State Resort Park Marina in southwest Clinton County, the group entered the Trooper Island Camp “No Wake” zone briefly to wave at Camp Director KSP Trooper Craig Sutton who had made his way to the end of the camp dock to greet the passing group of vintage boaters.”
