Rick Roy's 1939 19' Chris Craft Custom

Rick Roy purchased his 1939 Chris Craft 19' Custom from us last fall. He chose to leave the boat with us for some work over the winter. We flat sanded the boat to remove finish imperfections then varnished the boat, replaced the manifold, installed a new fuel tank, all new fuel system, re-wired the boat, cleaned up the gauge cluster, and applied a gold leaf name. He plans to pick up the boat next weekend.

Sunnyland Antique Boat Festival on Lake Dora 2010

The first boat show of the year, was held at Taveres, FL, March 26th-28th. It was a great show that was extremely well attended (25-30,000 attendance). If you haven't been to this show, you should certainly put it on your calendar for next year. This show is typically held the last weekend of March.

I would estimate that there were approximately 300 boats on display along with many vendors. We had eight boats in our booth of which we sold two. We attend approximately 22 boat shows per year, and the Sunnyland Chapter's show ranks as number 1 in having a good time, good friends, and seeing beautiful boats. The Sunnyland Chapter volunteers put on a fantastic boat show!
