BOAT OF THE MONTH 1966 19' Century Arabian

This month's featured boat is a 1966 19' Century Arabian. This model was way ahead of its time because like today's tournament ski and wakeboard boats, it's a V-Drive! With only 45 made that year, it's very uncommon and highly desirable; nice ones never stay on the market very long.

This particular boat has a replacement bottom and beautiful wooden decks. The 285 HP Ford Interceptor should make it a ball to drive.

Asking price including trailer - \$32,500.00

Open Houses

January 21st - Thomas Holmes, President – Century Boat Club, Inc. Thomas is a Century guy thru and thru. He was born and raised in Manistee, MI (home of Century Boat Co.) Thomas' father was a key employee at Century and Thomas worked at the factory as a young man. His presentation will be about “What makes a Century a Century!”

February 18th – Charles Mistele has owned the original 1930 Garwood “Miss America IX” for 42 years, and will speak of life with a living legend.

In 1931, “Miss America IX” became the first boat to exceed 100 MPH topping out at 102.256 MPH!

ABC Customer Feature

Tom & Patricia Hochthanner

1952 17' Chris Craft Special Runabout

Some of our old friends and customers, Tom and Patricia Hochthanner, brought us their 1952 17' Chris Craft Special Runabout this fall for some varnish work. It had been a few years and Tom and Pat felt it was time to "freshen up" the finish. We touched up some bottom areas while the boat was here, then sanded and applied a couple of coats of varnish. The seams are about to be striped, then the hardware re-attached. The boat will be ready for the warmer weather to arrive!
