

Antique Boat Center

Water-Ready Certified Program

This boat has passed a critical 12-point engine/mechanical and marine/hull inspection performed by the Antique Boat Center's service team. In addition, our staff has taken the boat on a water test.

Any work that Antique Boat Center has done on the boat will carry a 1-year warranty.

Here is how the program works:

- The Antique Boat Center's Service team will perform a detailed 12-point engine/mechanical and marine/hull inspection of the boat

Engine/Mechanical includes review of:

Inspection of Engine/Running Gear
Inspection of Fuel System
Inspection of Lubrication System
Inspection of Electrical System
Inspection of Cooling System
Inspection of Trailer

Marine/Hull includes review of:

Check Visible Frames/Chines/Keel
Bottom
Hull Side
Decks
Finish
Safety
